

The Marble Hill School for International Studies

99 Terrace View Avenue, Bronx, NY 10463

Wanda Dingman, Assistant Principal Kirsten Larson, Principal Paul Parris, Assistant Principal

Handbook for Remote Learning

Expectations for All Students

- Students set a regular daily schedule to get online
- Students will receive all class work and materials via google classroom and other online platforms and upload completed work weekly
- Students must be checking Marble Hill email as well as Pupilpath daily
- Students reach out to teachers for questions and support of classwork via email, google chat, Zoom or phone
- Students participate in group/class online discussions and work as assigned
- Students will have a weekly check-in with Advisor (a teacher, paraprofessional, or administrator) to review grades, progress, and any issues or concerns

Grading Policy

Teachers will continue with the same Marble Hill School Grading Policy. All students will continue to receive numerical grades for assignments, tests, etc.

Admin will review all procedures on a weekly basis and reach out to teachers weekly.

Understand that these are new procedures for all of us and we definitely expect we may need to make changes as we learn more. We value all of your input and hope you will continue to share any ideas and concerns as we proceed with remote learning.
